

InterOffice Mail Bag

With Keyless Security™

Designed to replace the familiar manila inter-office envelope with the added benefit of a Keyless Security™ seal.

Accommodates documents without folding.

Secure: Route documents securely throughout your business ... desk-to-desk, office-to-office, building-to-building.

- Tamper-evident, patented seal closure with Keyless Security™ Seal built into zipper.
- Tamper-resistant, metal, close-tolerance zipper.
- Security window allows sender to insert supplied double-sided routing card only from inside the bag.
- Provides chain-of-custody documentation for security applications.

Economical and Long Lasting: Durable fabric construction built to outlast paper envelopes by years.
