

Vinyl Side Courier Bag

with Arcolock-7®

Clear vinyl side panels reveal bag does not contain cash, making it safer for couriers to transport paperwork.

See-through design assures bag will be emptied of contents at processing centers.

Secure: Choose the Vinyl Side Courier Sac for transporting paperwork, checks, non-negotiable documents.

- High security, tamper-resistant, patented Arcolock-7® with seven pin tumbler mechanism.
- Our smooth opening and closing 10mm Brass zipper is easy to use.

Extra Durable, Large Capacity: Constructed of durable material built to last years.

- Sturdy molded plastic handles for carrying ease.
- Reinforced Vina-Hide™ panels protect against wear.
- One-piece Vina-Hide™ bottom with brass-plated studs provide extra protection.
